

  
**ARCHDIOCESE OF MILWAUKEE**  
OFFICE OF THE AUXILIARY BISHOP

September 8, 2009

Very Reverend Thomas P. Eichenberger  
St. Francis Borgia Parish  
1375 Covered B ridge Road  
Cedarburg, Wisconsin 53012

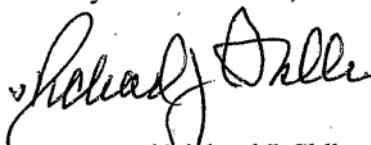

Dear Father Eichenberger and Friends All:

I write to express my gratitude for your efforts to participate in this autumn's Faith in Our Future Campaign for the benefit of Catholic education and faith formation. As one who has been privileged to participate in countless confirmations at St. Francis Borgia and Divine Word parishes over the past 30 years, I know of your long-standing commitment to passing on the faith to successive generations of young adults and children. I also know of the multiple efforts over the years to support both the school and the religious education programs in the context of life-long faith formation.

All of you have an extraordinary reputation for your generosity and commitment to the task of shaping the next generation's Catholic faith and dedication to all the works of the Gospel in our time and place. I hope that you will view the Faith in Our Future campaign as yet another expression of that long-standing commitment. The Lord always blesses generosity for He knows well the experience of becoming poor so that we might be rich in grace, growth and gratitude.

Best wishes to all for the success of the campaign.

Fraternally in Christ Risen,

Most Reverend Richard J. Sklba  
Auxiliary Bishop of Milwaukee
