

St. Francis Borgia Catholic Church Volunteer Opportunities

Church Dusters

Our Mission:

Church dusters keep our churches dust-free and looking good year-round.

Activities:

This is light work, just dusting. No heavy cleaning is required.

Individual and Team Sign-Up:

- ❖ Dusters work in teams of two. Volunteers can sign up as individuals or as a team.
 - Those who sign up as individuals may be paired with a partner.
 - Husband-wife teams are welcome.
 - All ages are welcome, from children through seniors.

Time Commitment:

The total time commitment depends on how many teams have volunteered and which church you are dusting. The goal is to have each team scheduled just 2-3 times per year.

The schedules are flexible. Teams can exchange dates if their scheduled time isn't convenient.

SFB-North

We dust windowsills, woodwork, chairs, pictures, tables and doors in the gathering area, the reconciliation area and the west entry. We also dust the row of chairs and sills along the back of the church proper, as well as the choir area, sanctuary, air vents on the sides of the church, and the east and west entries at the front of the church.

- The dusting takes about an hour each time you are scheduled.
- You choose your own day and time in the specified period.

SFB-South

- The dusting takes 30-45 minutes each time you are scheduled.
- You can pick your time on either Friday or Saturday.
