## **FAITH IN OUR FUTURE UPDATE 3**

As we previously reported to you, 25% of our parish participated in *Faith In Our Future*, and pledged \$1.75 million. Thank you. While this was Archbishop Dolan's proud campaign, we know that Archbishop ListECKI is very aware of and grateful for your pledges.

Please continue to pledge, because we have reached a threshold where we share only 20% of the donations with the FIOF Trust, and keep 80%. This is a great incentive to make a pledge now. Look at the numbers below to see that we need **ONLY** two million to begin to build. In other words, we are 75% on the way to our goal.

Here is where we stand with funds donated to our Building Campaign.

\$3.5 What we have now in cash

.7 Pledges we expect to receive from previous campaign

\$ .8 Pledges to FIOF (This is the amount we want to increase)

\$1.0 From eventual sale of old school

Since we need about \$8 M, we are short \$2 million. **ONLY TWO MILLION**. We are 75% there. We are threequarters of the way to our dream, and we will not stop now. Can you help us with your prayers and pledges?

As always, contact one of us if you have a special offer, need, or request. We can work with you. Please send your comments to us at **office@saintfrancisborgia.org**.
