FAITH IN OUR FUTURE

UPDATE 4

It's winter, but the thermometer is rising! We are three-quarters of the way to building our new Education and Activity Center. We need \$8 million. We have \$6 million through a combination of cash on hand, pledges from our prior campaign, proceeds from **FIOF** and eventual sale of our old school.

We can close the gap. Here's how. Over 75% of parish families have yet to hand in a FIOF pledge card. You can print a card at: **www.saintfrancisborgia.org/FIOF** or call the Parish Office for one.

If the remaining 75% each pledged \$50 a month for the next 3 years, we would surpass our goal!! That's a cup of coffee a day. Simple as that. The parish will serve you a free cup of coffee in the new gym when it's built.

If you can do more, even better. Do you know of a business, family trust, or foundation that can sponsor a room in the new building? Let's get creative and turn up the heat to close out this campaign!

Keep up the prayers and conversation, and send us your ideas at **office@saintfrancisborgia.org**.
