

Grace Bohl Memorial Prayer Chain

Our Mission:

To pray for all who are ill or are in need of prayers.

Skills Needed:

To pray as the spirit leads you, formally or informally.

Time Commitment:

To become a member of the prayer chain, you may choose whether you would like to be on the day or evening list for calling. After you receive a request, you pass it on to the next person on the prayer chain list until contact is made so that the chain is not broken.

Other:

If you wish to have your intentions prayed for by members of the prayer chain, you may call the parish office and we will forward your intention. The request remains on the chain indefinitely or until asked to be removed. The prayer chain list is reviewed and revised at least once a year. Anyone, parishioner or not, can be added to the prayer chain. However, due to privacy laws, if you wish to have a prayer request published in the bulletin, the request must be initiated by an immediate family member.
