

# Greeters

## **Our Mission:**

We welcome parishioners and visitors to Mass. On special occasions, greeters may be asked to provide additional service, such as passing out palms to people as they enter the church on Palm Sunday.

## **Requirements**

All parishioners, no matter their age, are encouraged to become greeters.

## **Skills Needed:**

Greeters need a friendly smile and attitude!

## **Training:**

No training is required. Two people (or families) are scheduled for each Mass. One group is stationed at each entrance in the church gathering area. Greeter name tags are provided in the ushers room.

## **Scheduling:**

Greeters can be scheduled at particular Mass times, provided that they notify the Greeter Coordinator (see below) of their Mass preferences. Otherwise, they will be scheduled where needed.

## **Time Commitment:**

Greeters arrive 20-25 minutes before Mass. Greeters are scheduled approximately once every 6-8 weeks.
