

## Photography Committee

### **Our Mission:**

We document parish activities and events through photographs, and assist as needed with the publication of the photos on the parish website or in other online or printed media. We may also prepare display boards of our photographs as needed or appropriate.

### **Activities:**

- ❖ Photographers volunteer to cover specific events.
- ❖ Photo editors do the follow-up work to select photos for publication on the parish website or for other purposes.
- ❖ Planning is needed to identify photo opportunities and ensure that photographers are assigned and that the needed follow-up is done for timely publication or display.

### **Skills Needed:**

Various types of skills are helpful to this group:

- ❖ Photography -- primarily digital
- ❖ Photo editing -- online selection of appropriate photos
- ❖ Photo display design -- for website, display boards or printed photo collages
- ❖ Planning and organizing -- to ensure that photographers are assigned and photos are made available for publication

### **Time Commitment:**

There is no specific time commitment. Meetings are held on an as-needed basis.
