

## Publicity Committee

### **Our Mission:**

We will help to promote the parish and its website, both internally to our parishioners and externally to the greater Cedarburg community.

### **Events and Activities:**

We will proactively look for opportunities to publicize and promote parish groups, activities and events, and to be more visible to the greater Cedarburg community. This could include:

- ❖ Articles for the bulletin, website, newsletters, or newspapers
- ❖ Signage
- ❖ Set-up for events

Here are some specific examples of possible activities for this committee:

- ❖ Parish Festival Publicity and Signage
- ❖ Assisting with Ministry Fairs
- ❖ Website Awareness Strategies

### **Skills Needed:**

- ❖ Creativity
- ❖ Writing and editing
- ❖ PR or marketing skills
- ❖ Planning and organizing

### **Time Commitment:**

This is a new committee, so there is no set schedule for meetings. The time commitment will depend on you, your interests, and your time availability for projects.
