

# Ushers

## **Our Mission:**

We greet parishioners when they arrive and assist with seating when needed. We take up the weekly collection during Mass, give guidance for an orderly procession to Communion, distribute the weekly bulletin, and help in other ways as needed.

## **Skills Needed:**

We are a hospitality ministry, and so a pleasant personality and disposition are a must. Male and female volunteers are welcome.

## **Training:**

On the job training is provided. Additional training as a group is provided from time to time as needed.

## **Time Commitment:**

Ushers arrive about 15 minutes before Mass, and stay about 10 minutes after Mass. Frequency of assignments depends on the number of volunteers at the various Mass times.
