

Vacation Bible School (VBS)

Our Mission:

Vacation Bible School is a week-long summer catechetical program for children ages 5-10 (or entering grades K5-5). The program is based on a new theme each year with a variety of stations including a scripture story, craft, video, game, and treat station.

Time Commitment:

Many youth (middle and high school) and adult volunteers are needed to make VBS run smoothly. Vacation Bible School is held for one week during the summer.
