

Divine Gifts

Our Mission:

The goal of Divine Gifts is to appeal to a wide variety of shoppers, those with traditional tastes as well as those looking for more contemporary items. It offers a large array of gifts for many occasions, including First Communion, Confirmation, Baptism, RCIA and Easter. You are sure to find the perfect faith gift for a special birthday too.

Hours and Location:

The shop is open after Saturday evening and Sunday morning Masses, in the Ushers' Room in the back of the North Church.

Skills Needed:

A friendly attitude in all things goes a long way! Basic math and money counting skills are necessary; a calculator is available.

Time Commitment:

Volunteers are asked to help at the shop approximately 15-20 minutes after Mass once a month. Scheduling is very flexible. If you are like many of us, you don't always know which Mass is in your weekend schedule until soon before. We love our fill-in volunteers too who step in when they can.

Training:

Approximately 20 minutes of training will be provided at a convenient time for the volunteer. (Yes, it's that simple!)
