Please return your pledge to the parish office by US mail or in person at your earliest opportunity.

Thank you for your generosity to our parish and the ministries we provide for our members and our communities – local, state, national and worldwide.

Please contact me/us about including St. Francis Borgia Parish in my/our estate planning.

Three options for parish financial support

Give via Electronic Funds Transfer (EFT)

(You will need to complete the electronic funds transfer authorization on the back.)

These transactions are safe and secure. You may choose withdrawals from a checking or savings account or charges to a credit or debit card. *Electronic donations can be done on a weekly, monthly, quarterly or one-time basis.*

** To be the most advantageous for the parish, the processing fees are much lower for checking or savings withdrawals than credit card transactions.

** It is also more beneficial to the parish to receive monthly rather than weekly contributions, if your family finances allow that.

Give using Envelopes

You will receive a packet of envelopes in the mail every other month covering two months each time.

Give *without* Envelopes

You will not receive contribution envelopes. Please include your parish/envelope number on your check so you are credited for your donations.
